

Career Pathways

Name: Jessica Ward

After school, I went on to college and achieved an A* in my A-levels. I then went on to study for a degree in Health and Social Care at the University of Birmingham. I graduated with a 2:1 in 2015 and have been working as a Health and Social Care Assistant at the University of Birmingham since then.

My strongest skills are caring for people in both an residential and community setting. I have experience of working with people with mental health issues, learning disabilities and physical disabilities. I have also experience of working with people with learning disabilities and mental health issues.

I am now working as a Health and Social Care Assistant at the University of Birmingham.

Career Pathways

Name: Elizabeth Latham

At school, I studied Art, Literature, Maths, and Psychology. I went on to study for a degree in Psychology at the University of Birmingham. I graduated with a 2:1 in 2015 and have been working as a Psychology Assistant at the University of Birmingham since then.

My strongest skills are a strong sense of initiative, organisation and communication.

Someone who inspired me to pursue this career was my psychology teacher, Mrs. Latham. She was a very supportive and encouraging teacher who helped me to develop my skills and interests.

My previous jobs worked at Museum of Modern Art, University of Birmingham, and local shops.

Career Pathways

Name: Lauren Dwyer

At school, I studied Maths, English, Science, French, History, PE, and Technology. I went on to study for a degree in Business Management at the University of Birmingham. I graduated with a 2:1 in 2015 and have been working as a Business Management Assistant at the University of Birmingham since then.

My strongest skills are caring for others, listening, empathy, and being able to give help when people are in need. I have also experience of working in a retail environment.

Someone who inspired me to pursue this career was my business teacher, Mr. Dwyer. He was a very supportive and encouraging teacher who helped me to develop my skills and interests.

I am now working as a Business Management Assistant at the University of Birmingham.

Career Pathways

Name: Sherry Lister

At school, I studied English Language, English Literature, Maths, Physics, Science, History, Geography and Art. I went on to study for a degree in English Language at the University of Birmingham. I graduated with a 2:1 in 2015 and have been working as an English Language Assistant at the University of Birmingham since then.

My strongest skills are after the birth of our first child, I went on to study for a degree in English Language at the University of Birmingham. I graduated with a 2:1 in 2015 and have been working as an English Language Assistant at the University of Birmingham since then.

My current employer has an office very close to the city centre, with parking spaces over the city. The office space is open plan, with separate desks and a 'break out' area. It is like working in a 5 star hotel at times. Due to the pandemic, most of the staff have 20% of us have been working remotely from home. I am not so sure for the office as getting a photograph of the office space is a little embarrassing!

Career Pathways

Mr H Woods

My previous jobs worked as a Health and Social Care Assistant at the University of Birmingham. I graduated with a 2:1 in 2015 and have been working as a Health and Social Care Assistant at the University of Birmingham since then.
