

Tyneside Outdoors
Great youth work... outdoors!

West End Outdoor Youth Group

out-of-doors activities for young people aged 11– 16 years old

Darkness Descends

Different times call for different ways of doing things!

We've seen some changes to the way we run our groups, however, as we're outdoors, not afraid of the dark, rain, wind, etc. we're still running our weekly youth group in the west end.

If you're fed up of being indoors, of playing video games, watching YouTube, etc. then this is a group for you.

All our activities are socially distanced, active and fun.

TO's West End Outdoors Youth Group provides out-of-doors activities for young people aged 11– 16 years old.
